

# TALENT ENHANCEMENT TEST

**TET**  
BE UNIQUE, BE REAL, BE YOU

## Why should the child participate in Talent Enhancement Test?

Education and academic competitions are two most important ingredients of human life and these two have always been considered as important issues. Competition in schools leads to valuable skills. When children face competitive activities at school, they not only gain individual skills, like resilience and motivation, but they also build on important interpersonal skills. It also helps them succeed socially and academically in school. Expertise in mathematics and science is much required to everyday human life for ease of living.

- If student **will achieve 80%** and above in second phase then the student will be felicitated at international platform.
- Exposure to student at international platform.
- Valuable PR to award winners through our media.
- Develop competitive attitude among students.

- Top rankers will be awarded with Robotics Kit/Tablets/Kindle Readers and chances to get scholarship through corporate CSR initiatives.
- Develop attitude how to face competitive examinations.
- Subject Experts of International repute will join for special counseling session of student as per consent of school.
- All student will receive participation certificate.
